

MISSION STATEMENT

The Mission of the Casuarina Rugby Union Football Club Inc. is to manage, serve, and promote the Game of Rugby Union in the Darwin and surrounding areas, at all levels of play including;

- To maintain and promote the spirit of camaraderie between players, coaches, administrators and supporters.
- To promote the highest standard of behavior on and off the field from our players, coaches, administrators and supporters.
- To further develop the junior program through improved interaction with the senior grades and ongoing support.
- To ensure that the club fields the best possible sides each week to allow the Club to be competitive at all levels.
- To assist in the development of a higher standard of physical fitness and skills associated with Rugby Union for all our participants to ensure that everyone is given the best opportunity to represent the Northern Territory or that at a higher level.
- To improve the skills of our coaches so they can assist in developing the skills of the club players.
- To provide value to our sponsors in recognition of their support.
- To build relationships through involvement within our local community.
- To develop and promote attitudes and behavior in the club that enhances our reputation within our local community.
- To successfully fulfill the administrative requirements of both the club and the Northern Territory Rugby Union.
